

## Defoamers

Product	Description	Applications
<b>Defoamer D</b>	30% silicone emulsion	Water-based coolants Washer systems
<b>Defoamer B-100</b>	Modified silicone emulsion	Water-based coolants Washer systems Water based hydraulic systems
<b>Defoamer 296-M</b>	Highly concentrated modified silicone emulsion	High pressure application Water-based coolants Washer systems Water based hydraulic systems
<b>Defoamer NS</b>	Silicone free emulsion	Water-based coolants Washer systems Water based hydraulic systems Concentrate and tank-side use
<b>Defoamer MST</b>	Modified silicone defoamer in <b>tablet</b> form	Controlled release for small sumps

## Hard water Stabilizers

Product	Description	Applications
<b>Counter Rust HW-100</b>	Highly concentrated carboxymethylated, ethoxylated alcohol with very low residual chloride levels	Excellent hard soaps <b>dispersing</b> power, <b>Corrosion protection</b> booster, <b>Co-emulsifier</b> Hard-water stabilizer Highly effective in Soluble oils & semi-synthetic fluids designed for machining of <b>aluminum</b> and <b>magnesium</b> Parts washer fluids
<b>Counter Rust HW-S</b>	Neutralized version of HW-100	Water-based coolants Washer systems Tank-side additive
<b>Counter Rust HW-615</b>	Highly concentrated carboxymethylated, ethoxylated alcohol with virtually no residual chloride levels <b>HLB: 14</b>	Excellent hard soaps <b>dispersing</b> power, <b>Corrosion protection</b> booster, <b>Co-emulsifier</b> Hard-water stabilizer Highly effective in Soluble oils, semi-synthetic fluids and synthetic fluids designed for machining of <b>aluminum</b> and <b>magnesium</b> Parts washer fluids
<b>Counter Rust HW-415</b>	Highly concentrated carboxymethylated, ethoxylated alcohol with virtually no residual chloride levels <b>HLB 12</b>	Excellent hard soaps <b>dispersing</b> power, <b>Corrosion protection</b> booster, <b>Co-emulsifier</b> Hard-water stabilizer Highly effective in Soluble oils, semi-synthetic fluids and synthetic fluids designed for machining of <b>aluminum</b> and <b>magnesium</b> Parts washer fluids
